Catholic Charities has provided us with a survey to begin this process. I would like to encourage every family in the parish to take a few minutes and complete the survey. You can use this link to take the survey.

<https://www.surveymonkey.com/r/stk-cnty>

You can also scan the following (updated) QR code with your phone and go directly to the survey.

Stewardship:

"There is a boy here who has five barley loaves and two fish; but what good are these for so many?"

The miracle of the Loaves and Fishes carries two important messages. First, no matter how little we have, we always have enough to share. Second, Christ can take our humble gifts and do great things with them if we are just willing to let Him, Nothing is impossible with God. All of our gifts, big or small, were given to us for a reason. No gift is too small or insignificant!

Monthly Rosary: The Evangelization Committee will be praying the Rosary one half hour before Mass one Sunday per month.

LIVE THE LITURGY Inspiration for the week

God shows up in unexpected ways! Just when we think we have God's agenda figured out, another surprise comes. Expecting to find God only in some places hinders us from finding Him everywhere. Who would have thought that a young boy's few loaves and fishes would feed thousands of people? The disciples were probably just as amazed as everyone else when this feast appeared before them. Sometimes, we find it difficult to believe that God can do amazing things with something small and simple. Yet, grasping this truth is really at the heart of understanding the power of the Eucharist. Having the Body and Blood of Christ made present for us is one amazing wonder. Actually being fed and nourished by that gift is another. Now being able to become what we have eaten, God can do tremendous things with the simple, humble gifts of our lives. All we have to do is realize that God dwells within us. When we do, then everyone we encounter and everything we do has the power to become a sacramental moment. When done with great love even the smallest gesture can be multiplied exponentially. Now, that's amazing!

STOP TAXPAYER ABORTION

Contact Congress!

OVERVIEW

What:

Powerful Members of Congress are trying to force Americans to pay for abortion.

How:

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years, saving 2.4 million babies. Now, powerful members of Congress want to take away these laws that *both* Democrats and Republicans have supported for nearly half a century.

What happens without these protections?

Billions of taxpayer dollars could be used to pay for abortion.

How to stop taxpayer-funded abortion:

A massive number of people contacting their Members of Congress

TAKE ACTION!

WHAT TO SAY

- Regardless of where one stands on abortion, there's been a long-standing, bipartisan agreement that taxpayers shouldn't have to pay for it.
- I urge Representative / Senator _____ to protect the Hyde Amendment and to oppose any bill, including appropriations bills, that expand taxpayer-funding of abortion.
