St. Barbara Parish Mission Statement

We, the Christian Community of Saint Barbara Parish are united in our solid Catholic Faith and tradition. We strive to live out our Baptismal Call through service to our members and God's people.

Through support and education, we shall nurture spiritual growth, at all ages, while promoting a strong foundation for our values and beliefs.

Joyfully, we go forth, through the working of the Holy Spirit, to carry out the Mission of Jesus Christ.

SAINT BARBARA CHURCH

19 March 2020

Dear Friends,

As we walk through this Lent, we have an opportunity to embrace sacrifice and ministry in a whole new way. Each day brings new information on the spread of COVID-19 from medical professionals as well as new directives from public health officials and civil authorities.

During this difficult time, I want to assure you all that the Sacrifice of the Mass will continue. I will still be offering private Masses for the people of St. Barbara parish and their well-being.

St. Barbara parish is going to step up efforts to make spiritual resources available to you during this time. You can check our website for updates on current directives as well as watching daily mass offered here at St. Barbara. These Masses are private and the faithful should only participate online. Look for those Masses to begin Friday March 20.

Our parish staff is so very dedicated to the life and wellbeing of the Church; please know that we are all here for you to offer our prayers and support during this difficult time. I would ask that you please continue to offer your generous support of the parish by continuing your weekly offering, especially your Easter offering, either online at www.saintbarbaraparish.com or by using the enclosed envelope and returning it in the mail. Your support of the parish during this time is so vitally important so we can continue to offer ministry to those who turn to us in need. I am aware that there will be many hardships that we will all experience because of this terrible crisis. If you are unable to help in supporting the church financially, please remember to keep us in your prayers.

St. Barbara will remain open for prayer and adoration. We ask that you practice social distancing when utilizing the space within the church. Do not come if you are sick or if coming will put you at great risk of becoming sick. I will still be able to hear individual confessions; please call the rectory to setup an appointment if you would like to celebrate the sacrament of reconciliation. For the time being, funerals will be limited to immediate family only with no bereavement luncheon allowed right now. All other gatherings in parish facilities will be cancelled or postponed.

We can still unite in prayer. We can still care for our neighbors. We are still the Body of Christ. We are challenged to find non-traditional ways to connect with one another. It is a sacrifice, for sure, for all of us to alter our participation in the Eucharist. A sacrifice as unwelcome as it is new. Still, we understand that it is, for the time being, a cross we bear in a spirit of self-denial, an emptying of ourselves in imitation of Our Lord's privation as He faced His Passion. We know that we can hope in the Resurrection. Let us bring that hope to our neighbors and our community through our sacrifice, our service, and our prayer.

In Jesus and Mary,

Fr. Brian Cline
Pastor

Fellow Parishoners,

The members of the Evangelization Committee would like to encourage all of our parishioners to continue your weekly support of the parish. These trying times are a hardship on everyone. St. Barbara church can not hope to keep up with the utilities and other expenses without our support. In an attempt to help save on costs Father Brian has lowered the thermostats in the school, PLC and the church. All unnecessary appliances have been unplugged, any subscriptions we have for the parish or the school have been cancelled or put on hold. Our Easter Flower order has been cancelled. There was also a fence put up around an electrical box and utility panel behind the PLC that was scheduled months ago, and we were unable to cancel this order. Father is looking at all possible ways to help in the reduction of costs. There are still many areas though where we will still have expense that we cannot change or eliminate. Thank you for your support and understanding.
